

FAASteam Flight Instructor Open Forum

Becoming a well informed CFI is the key to success for every flight instructor. You can increase your professional edge and income potential by attending CFI Workshops and Open Forums. At the same time you can offer your students more valuable training that combines knowledge of industry trends in navigation systems, new training techniques, and accident mitigation strategies based on the latest accident data. Don't miss these FREE and valuable aviation industry programs.

Directions: Wings of Carolina Classroom.

A message from the National FAASteam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
